

Services

Our Services

Providing fast, reliable, and timely delivery of air freight shipments to over 40 cities throughout the United States.

Air Freight

The majority of Martinaire operations involve scheduled flights to support the world's largest freight forwarders. These companies depend on us to provide reliable and timely delivery of their shipments throughout the United States.

Martinaire is one of the first and largest overnight, express feeder carriers operating scheduled service since 1978. We pride ourselves on consistent performance maintaining over 99% reliability on all scheduled flights.

Charter Information

Martinaire has experience with all types of freight. You can count on our qualified team members and well-maintained aircraft to provide you with solutions of the highest quality and dependability. We understand the importance of each and every delivery. Customer satisfaction is our number one priority and we strive to exceed the expectations of our customers. Let us know what you need and when. We will be happy to help you.
