IN POSITION TIME:

AM: 0525 CT
PM: 1845 CT
SAT: 0625 CT

ROUTE NOTES: Must be engine stopped and doors open in PNS no later than 2040 to make service. The UPS jet is 'doors closed' at 2100. This leg is tight on time as GPT UPS trucks are often pushing the departure time. Zero room for delay on start and taxi. You can pick up clearance after 1845. If possible, depart VFR Flight Following to avoid delays. Morning freight to BFM and GPT is light during weekends, normally. UPS Ops frequency 129.42. Contact once airborne with Out/Off time at PNS and ETA for BFM. Repeat same departing BFM with GPT ETA. Call UPS Ops when on the ground and truck loaded at GPT with landing times.

The BFM AM stop needs to be as quick as possible Plan on 20 mins on the ground. Expect 5/6 trucks in BFM.
